KATHIE SNOW

PARENT, AUTHOR, CONSULTANT, COACH,
“WHEN WE THINK DIFFERENTLY, WE’LL ACT DIFFERENTLY!”

Unique...Inspiring...Motivational...Valuable...Proactive...Life-Changing

These are some of the words used to describe Kathie’s presentations. She challenges conventional wisdom and encourages others to adopt new ways of thinking about disability. Kathie believes each person who has been labelled has strengths, gifts, and talents, and when we focus on those instead of the diagnosis, great outcomes are possible!

9:30 AM – 12 PM Disability is Natural and Other Revolutionary Common Sense

Yes, like gender, ethnicity, and other traits, disability is one of many natural characteristics of being human! What can happen when we deconstruct disability, use People First Language, and focus on people’s strengths and abilities? Awesome change is possible when we think differently and talk differently!

Noon-1:00 PM Lunch

1:00 PM-4:00 PM Living Real Lives

Children and adults with disabilities can enjoy real, self directed lives and achieve their dreams when they have three important tools for success. Everyone has the right to live a real life included in the real world!

**There will be an evening presentation from 6:30-9:00pm for
families and or professionals who were unable to attend
during the day.**
